Meet Our New Activities Department

The Activities Department has made a couple changes since last month. Ashley Dawson the previous Activity Director took another position at our sister facility. Amber Link who was the activity assistant was promoted to Activity Director. Elisa Welsh became her assistant and Carol Walters is still part time during the evenings and weekends. Activities Department is looking to make new changes to the activity program at the first of the year so be on the lookout. We really want to promote unity and fellowship throughout the building through the Activities Program.

Elisa Welsh, Carol Walters, Amber Link

Reminder!

Men's Group meets every Monday night in the Healthcare living room area. Come join the guys at 5:30 for fun and fellowship. We hope to see you there!
